OLD BUSINESS:

- A. Muir Woods, Lots 5 & 6, 13660 Muir Ln.-Monte Watt, owner of Lot 6. Just got drawings from Torrenga Engineering today. Plans are to alleviate the erosion problem between the two lots. Planning on taking a six (6) foot structure and putting it at the intersection. Also a bee hive top to take excess water. From that structure there will be approximately seventy-six (76) foot of three (3) foot tile which will take it to the ditch. Don Oliphant asked what is being done to stop the water from overtopping the curb line. Mr. Watt stated he was not going to dig up the town owned street. Discussion on path of water ensued. Don Oliphant stated he will look over the plans. Will need Plan Commission approval on these plans.

A motion was made by Daniel Enright and seconded by Thomas Frick to send engineering plans from Mr. Watt to the Plan Commission.
