GenMove Winter Programs

GenMove Recreation is dedicated to working with the community to provide diverse and creative recreation programs that celebrate history, invigorate activity and evoke a feeling of wonder and imagination. We are excited to announce that they will continue to provide innovative Parks & Recreation programs for 2015! Director of Recreation, Steve Doniger, shared, "Our approach is to promote healthy competition in safe environments, allowing for skill building, development, confidence, and success. We stress sportsmanship, encourage individuals to try new adventures and provide the stage for creative endeavors. We are always seeking new ideas and will look for trending activities to expand opportunities. Our program philosophy is simple...HAVE FUN!" Please check out Cedar Lake's list of winter programs at www.genmoverecreation.com!

Applications must be submitted in person at the Town Hall. Proof of residency is required and political affiliation, where applicable. Application deadline is December 12, 2014.

Snow Removal & Plowing

Winter is here, and so is the ice and snow. The following information is to notify the public on the Town of Cedar Lakes' snow removal and plowing procedures. First and foremost, the snow plows remove the snow from the roads by means of pushing it, not by picking it up. This means the snow is pushed to the sides of the road. Second, the efficiency of the salt dropped by the trucks is limited by weather conditions and traffic as salt is ineffective at twenty degrees or colder.

The priorities for which roads get attention first are as follows: Main roads of travel, secondary roads that still receive high amounts of traffic, steep and high hills that are difficult for vehicles during inclement weather, and finally all remaining streets.

It is important that any obstructions on private property be removed from the road-way prior to snow plowing. This is imperative for two reasons, quicker passes and the prevention of damage to private property. Obstructions can range anywhere from garbage and recycling bins to parked vehicles and trailers.

The Town plows are not permitted to perform any snow removal on private property due to insurance liability please do not stop the drivers to ask them to do so. During the course of snow removal in private drives, parking lots, and driveways; please do not push the snow back into the road ways as this may create traffic hazards. Thank you in advance for your time and cooperation this season. For more information about snow removal and plowing, please contact the Department of Public Works at (219) 374-7478.

Dog Tag Renewal

Dog owners are required to renew their licenses annually at the Clerk-Treasurer's Office located at 7408 Constitution Avenue during business hours, Monday- Friday 8AM-5PM. During the months of January through March 31st, the cost is \$10 per dog with a maximum of three dogs permitted at each residence. After March 31st, the cost will be \$15 per dog. A valid rabies certification is required in order to renew the license. It is the responsibility of the dog owner to ensure that the rabies shots are renewed per veterinarian's certificate. For those who are unable to come to the Town Hall to renew the dog license, we will accept a copy of the valid rabies certificate, and payment by check, through the mail or the drop box at our parking lot. Upon receipt of your information and payment, we will process your license and mail it to you. For more information, please call our office at (219) 374-7000.

Contractor's License Renewal

Starting January 1, 2015 until March 1, 2015, the Town of Cedar Lake is accepting Contractor's License renewal applications. The renewal fee is \$50.00 along with your renewal application, a copy of your recorded Lake County bond, a copy of your certificate of insurance with Workman's Compensation, and a copy of your Lake County License (General Contractor's only). After March 1st the license fee will be \$150.00 for new applications. For more information about contractor's license renewals for 2015, please contact the Building Department at (219) 374-7400.
