### A Note from the Police Chief on Snow Removal

As we go through the winter season, I wanted to remind our property owners that side-walks must be continually cleared of snow and/or ice. We want to maintain safety for pedestrians by keeping sidewalks clear and only want the best for the citizens of Cedar Lake. I need your help in making sure that we can provide a safe and clear passage for pedestrian travel, especially for our school-aged children. Working together, as we do well, only helps to make the community of Cedar Lake a safer and more desirable place for people to live and raise families. Thank you in advance for your cooperation! ~Jerry Smith, Cedar Lake Chief of Police

Cedar Lake Town Code 94.23- Removal of Ice and Snow:

"It shall be the duty of the owner or the occupant of each and every property of real estate in the town abutting upon any sidewalk to keep the sidewalk abutting his premises free and clear of snow and ice, and to remove therefrom all snow and ice accumulated thereon within a reasonable time, which will ordinarily not to exceed 12 hours after the abatement of any storm during which the snow and ice may have accumulated."

## Earth Day Rain Barrel Event on April 22nd

Did you know that lawn and garden watering make up almost 40% of water usage during the summer months? A rain barrel collects water and stores it for when you need it most! Saving water not only helps protect the environment, it saves you money and energy. Diverting water from storm drains also decreases the impact of runoff to streams. Therefore, a rain barrel is an easy way for you to have a consistent supply of clean, fresh water for outdoor use for free. The Town of Cedar Lake is working with UpCycle Products to host a rain barrel event on Earth Day, April 22nd! A link will be placed on the Cedar Lake Town website, [www.cedarlakein.org](http://www.cedarlakein.org), that will allow you to order your rain barrel for this spring! Ordered rain barrels will be available for pick up on Earth Day at the Cedar Lake Town Hall, 7408 Constitution Avenue.
