projects *and* improvements *updates*

From Jill Murr
Town Administrator

The *2015 Road Projects* throughout Town which began the week of September 21st have been completed. Public Works is finishing up any stone work that may be needed along the edge of the roadways. The thirty (30) streets on the list were completed as well as a few more. In conjunction with the contractor Rieth-Riley; Public Works staff completed culvert replacements and drainage work.

Parrish Avenue Road Construction from 137th Avenue to 141st Avenue which began Friday, September 11th and re-opened on Friday, October 30th. We appreciate everyone's patience during the road closure and during this project. While there is some restoration work that will need to be completed in the spring, we can all enjoy the new roadway and sidewalks in the area. Staff, Town Council and the Town's engineer will be working on the plans and design for continuing the improvements along Parrish Avenue as well as working with the Clerk-Treasurer to identify the funding for the next phase.

133rd Avenue Westside – Road construction and improvements on 133rd Avenue Westside from US-41 to Industrial Avenue while the majority of the work from US-41 to the railroad tracks is substantially complete; work remains east of the railroad tracks to Industrial Drive. A solution and plan to the drainage issues was worked on collaboratively with INDOT and Engineers. Work began this fall, curbs were raised, pavement was raised and during the first week of December, the drainage component of the project, a box culvert which goes across the roadway from the north to the south, was installed. While the roadway has not received its final surface coat of asphalt,

ICE AND SNOW REMOVAL

Within 12 hours after any snow or ice storm, it is the duty of the owner or occupant of each parcel in town abutting any sidewalk to keep that sidewalk free and clear of snow and ice. ❄️

LAKESIDE BITS

200th Birthday Celebration

Indiana will celebrate its 200th Birthday, December 11, 2016 and to kick off the year long Bicentennial Celebration, Town Council Member Robert Carnahan and Bill Landske raised the Bicentennial flag on December 11, 2015 at Senator Sue Landske Memorial Park. This flag will be flown during the year long celebration.

2015 Building Department Permits

The Cedar Lake Building Department would like to share with its residents that as of November 2015 we have a total of 119 new home permits, along with a new Faith Church and BP gas station. We are still awaiting final counts for the month of December.

Alarm Permits

All businesses and residents having an alarm system are to obtain a permit from the Town. This permit can be completed at the Clerk-Treasurer's Office during business hours Monday through Friday from 8:00AM to 5:00PM. The fee is \$10.00 and the permit is valid for two (2) years from the date of application. Necessary information for the permit includes the name, address and phone number of three (3) contacts, and the phone number of your service provider. If you have any questions, please call us at 374-7000.

When installing an alarm system with your provider, please make sure that they have the new police number on file in case of emergency: (219) 322-2121.

Christmas Tree Disposal

Christmas trees can be dropped off at The Public Works Department located at 8550 Lake Shore Drive. Please call (219) 374-7478 with any questions.

(Continued from Cover Page)

the pavement that has been installed will provide a safer winter surface. As we can't compete with Mother Nature; there will only be minimal work being done until the spring. In the spring, more work will be done such as concrete work, sidewalks, grading and MORE paving. Thank you to everyone for your patience.

Bartlett-Wahlberg Park

on the north end of Cedar Lake along Lake Shore Drive expanded. The Town has purchased properties to expand the lake front park. Public Works staff will be demolishing the final building on the property. Thank you to the builders in the community who continue to donate fill for this expansion as well as other projects.

Senator Sue Landske Memorial Park -

Thank you to our local businesses for their donations to the Senator Sue Landske Memorial Park; Leo's Feed & Garden Center provided shrubbery, T&J Landscaping provided decorative stone and Prestige Landscaping for the Maple trees. Public Works staff and Chamber Members worked together to get the park ready for its dedication and renaming ceremony. Cedar Lake Town Council unanimously approved dedicating and renaming North Park to the Senator Sue Landske Memorial Park at their August 18, 2015 Town Council Meeting. Senator Sue Landske was instrumental in obtaining grant funding to build the Chamber of Commerce Welcome Center, install the seawall and pave the parking lot.

During the park dedication ceremony, Council President Randell Niemeyer presented Governor Michael Pence's Sagamore of the Wabash appointment to Senator Sue Landske's family. 🍷

ADOPT A FIRE HYDRANT

The Cedar Lake Fire Department is asking for your help during the winter months by keeping the snow around the fire hydrant clear near your house. It would be very helpful if you adopted the hydrant as a very important part of your property. During a fire every minute counts. In fact, every minute a fire doubles in size, so the sooner we can get water on it the better. 🍷

Dog Tag Renewal

Dog owners are required to renew their licenses annually at the Clerk-Treasurer's Office located at 7408 Constitution Avenue during business hours, Monday-Friday 8AM-5PM. During the months of January through March 31st, the cost is \$10 per dog with a maximum of three dogs permitted at each residence. After March 31st, the cost will be \$15 per dog. A valid rabies certification is required in order to renew the license. It is the responsibility of the dog owner to ensure that the rabies shots are renewed per veterinarian's certificate. For those who are unable to come to the Town Hall to renew the dog license, we will accept a copy of the valid rabies certificate, and payment by check, through the mail or the drop box at our parking lot. Upon receipt of your information and payment, we will process your license and mail it to you. For more information, please call our office at (219) 374-7000. 🍷
