## LAKE SIDE Bulletin APRIL 2017

### ROAD CONSTRUCTION PROGRESS

Last month we published an article about the ongoing infrastructure needs of the Town. This map depicts the \$23 plus million investment into the reconstruction and resurfacing of over 24 miles of roadways in the Town. This investment is inclusive of but not limited to engineering, construction, drainage, as well as the physical hours from our local Public Works crews. The Town is moving forward with the 2017-2018 road project design and bid documents, etc. Active dialogue is occurring between our Town Administrator, Lake County Commissioner Jerry Tippy, and Lake County Highway personnel on the potential of a joint road construction project on Parrish Avenue from 141<sup>st</sup> to 151<sup>st</sup>. The Town is continually striving to meet the needs of our growing community.

### HYDRANT FLUSHING TO BEGIN EARLY APRIL

The Water Department will be flushing fire hydrants beginning early April. "Hydrant Flushing" signs will be placed 24 hours in advance for every area being flushed. Additionally, they will have signs indicating 'hydrant flushing today' in all areas where the hydrants are being flushed that day. Hydrant flushing is necessary to test water pressure and flow from all fire hydrants, as well as removing sediment from the water mains. It is common for some areas to see discolored water during and immediately after hydrant flushing. When this happens, the best course of action would be to run the cold water tap for a few minutes until the water clears. Sometimes it may be necessary to repeat this a few times if the sediment was high in that area.

## CEDAR LAKE VOLUNTEER'S IN POLICE SERVICE

The Cedar Lake Volunteer's In Police Service (VIPS) consists of devoted members, who take pride in serving our community. They are a dedicated group of individuals who volunteer their own time to help the community by assisting with extra patrol, traffic control duties, funeral escorts, parade escorts, ground security, and much more.

The Cedar Lake VIPS currently has 2 Specialty Units: Patrol and Emergency Response. The Patrol Unit is responsible for extra neighborhood/business patrol and assist the Cedar Lake Police Department with specialized tasks. The Emergency Response Unit (ERU) are on 24 standby to assist the Police and Fire Departments with traffic control and search and rescue operations at emergency incident scenes. Members who are not in a Specialty Unit assist with traffic control and security at special events. All members attend a VIPS Training Program which consists of Police Radio Procedures, Traffic Control, Water Rescue, Geography, Weather Spotter and National Incident Management System.

They are *always* seeking reliable, motivated Volunteers, to be considered for a position in the unit, applicants must:

- Be a resident of Lake County, Indiana
- Possess a valid Indiana Driver's License
- Pass a background check
- Have a High School diploma or GED equivalent
- Be a minimum of 18 years old

Our VIP's members will be conducting their Tag Day on April 29<sup>th</sup> from 8:00 am- 12:00 pm at the corner of 133<sup>rd</sup> and US 41. Be sure to be on the look-out and help out our Community by making a small donation or even just thanking them for their services!
