## FIREWORK RECOMMENDED SAFETY TIPS

- Obey all local laws regarding the use of fireworks.
- Know your fireworks; read the cautionary labels and performance descriptions before igniting.
- A responsible adult SHOULD supervise all firework activities. Never give fireworks to children.
- Alcohol and fireworks do not mix. Save your alcohol for after the show.
- Wear safety glasses when shooting fireworks.
- Light one firework at a time and then quickly move away.
- Use fireworks OUTDOORS in a clear area; away from buildings and vehicles.

- Never carry fireworks in your POCKET or shoot them into METAL or GLASS containers.

## A NOTE FROM THE FIRE DEPARTMENT ON GRILL SAFETY

Everyone loves a good steak or some corn on a hot fired grill, but fire anywhere else can make your summer kick-off barbecue memorable for all the wrong reasons. The National Fire Protection Association shares some general grilling tips to keep you and your family safe this summer: propane and charcoal BBQ grills should only be used outdoors, the grill should be placed well away from the home, deck railings and out from under eaves and overhanging branches, keep children and pets away from the grill area, keep your grill clean by removing grease or fat buildup from the grills and in trays below the grill, never leave your grill unattended.

## A MESSAGE FROM PUBLIC WORKS BRANCH PICK-UP

The Public Works Department collects tree branches at the beginning of each month through December. The Town's branch pickups will be completed, in its entirety, within the first 10 business days of the month, weather permitting. It is very important to have branches ready by 7 am by the first of each month to ensure collection. The Town's branch pickup service is for residents who perform regular maintenance on their property with small to medium size piles of branches. This service allows residents an appropriate way to dispose of green waste, it is not intended to supplement or compete with private contractors. Branch piles will be picked up at the discretion of the Public Works. More information is available on the Town's website.

## SATURDAY CLEAN-UP

July 15<sup>th</sup>, Public Works will be open from 9:00 am to 1:00 pm if anyone has large items to dispose of, such items include but aren't limited to: furniture, carpet, wood and appliances. Just as we ask residents to sign in upon a visit during the week, on these dates we'll have you sign in as well, presenting identification or a current utility bill as to prevent non-residents from taking advantage of this service.
