9800 W. 129th Avenue  
For those who need a more Gentle Exercise – try sitting while working out. It's easy and you still get the benefits of a work out.  
When: 9:15am-10:00am Tuesdays and Thursdays  
Cost: \$5.00 per class  
What to bring: Hand weights and water. We provide the chair.  
For more information please call (219) 374-7400 or email Events@cedarlakein.org

## YOGA

Where: Town Hall Meeting Room, 7408 Constitution Avenue,  
When: Sunday's from 6:00 pm to 7:00 pm.  
Cost: \$8.00 per class. Appropriate for all ages.  
Bring a mat, bottle of water and a small towel.  
Classes are led by registered yoga teacher, Kandi Bredar.  
If you have any questions, please call (219) 374-7400 or email Events@cedarlakein.org

## SATURDAY CLEAN-UP

August 19th, Public Works will be open from 9:00 am to 1:00 pm if anyone has large items to dispose of, such items include but aren't limited to: furniture, carpet, wood and appliances. Just as we ask residents to sign in upon a visit during the week, on these dates we'll have you sign in as well, presenting identification or a current utility bill as to prevent non-residents from taking advantage of this service.

Tri Creek Schools August 15<sup>th</sup>  
Hanover Community Schools August 16<sup>th</sup>  
Crown Point Schools August 17<sup>th</sup>

## Slow Down: Back to School Means Sharing the Road

The Cedar Lake Police Department will be providing additional Police Officers in those zones to ensure a safe environment for our school children.

### Cedar Lake Police offer these safety tips:

It's that time of year again when schools across the county will soon be back in full swing. Motorists can prepare for the back-to-school driving season by following a few simple safety tips.

- **Slow Down!** The speed limit in school zones is reduced to 25 mph for a reason. Watch for children walking in the street, especially if there are no sidewalks in the neighborhood.
- **Yield to School Busses** Exercise caution when approaching a school bus or driving near bus stops. NEVER pass a school bus while its lights are flashing and children are entering or exiting the bus.
- **Eliminate Distractions** Be aware that children often behave unpredictably, so keep an eye out for kids darting into the street or crossing without first looking both ways for traffic.
- **Reverse Responsibly** Check for children on the sidewalk, driveway and around your vehicle before slowly backing up. If you have children, teach them to never play in, under or around vehicles – even those that are parked.
- **Watch for Bicycles** Children on bikes are often inexperienced, unsteady and unpredictable. Slow down and allow at least three feet of passing distance between your vehicle and the bicycle.
- **Look Out for New/Inexperienced Drivers** When driving (especially near high school campuses), keep in mind that a higher number of motorists you encounter may be teens hitting the road for the first time.

## ROAD AND STORM WATER IMPROVEMENT PROJECTS AROUND TOWN

We are excited to announce the upcoming improvements in the Town. The Town has approved \$2,665,000.00 in road and infrastructure improvements in High Grove and South Shore Subdivisions. Grimmer Construction was awarded High Grove Subdivision improvements and LGS Plumbing was awarded South Shore Subdivision improvements. These projects will begin in the coming weeks. Neighborhood meetings will be scheduled prior to the start of construction to discuss the projects in further detail. Keep watch on the Town's website and Facebook page for further updates.

Along with these improvements, NIPSCO will be upgrading the gas mains and services. Don't be alarmed to see new services ran to your homes in these areas.
