In addition, the Cedar Lake Police are asking parents to please remind their children to:

- Never walk while texting or talking on the phone.
- If texting, move out of the way of others and stop on the sidewalk.

SCHOOL BUS SAFETY

The following are tips from the Cedar Lake Police to ensure safety throughout the school year:

Stopping on Various Types of Roadways

- Two-Lane Roadways:** If a school bus stops on a two lane road and the red flashing lights are activated and the stop arm is extended, all motorists **MUST** stop.
- Multi-Lane Roads with No Barrier Between Lanes:** When a school bus stops on a multi-lane roadway without a barrier and the red flashing lights are activated and the stop arm is extended, all motorists **MUST** stop.
- Multi-Lane Roadway with Grassy &/or Concrete Barrier:** When a school bus stops and the red flashing lights are activated and the stop arm is extended, only vehicles behind the bus **MUST** stop. Vehicles that are approaching from the opposite side are **NOT** required to stop.

BUS INSPECTION INFORMATION

Indiana State Law requires that state police inspect all buses annually and buses at least 12 years old semiannually for safety. You can easily check the safety of your child's school buses at:
