

5-Year Parks Master Plan Questions

Q1: Can you share your Park landscape plan with us?

A1: Yes, we will share those with our chosen firm.

Q2: What are some things that you desire for the Master Plan?

A2: Not in any particular order.

1. More access and amenities to lakefront parks, including ADA access.
2. Park systems that appeal to our residents, new residents and out of town guests.
3. Senior Center with recreational opportunities and programming.
4. Sportsplex with an onsite recreation center, sports fields, fitness center and walking opportunities.
5. Improvements for the existing parks that make them more functional and appealing to all.

Q3: What involvement do you seek from the community during planning aside from a survey?

A3: We would like to take several opportunities to engage the public on this project. To include surveys and public engagement opportunities.
