## OFFICE OF THE CHIEF OF POLICE

---

### PUBLIC NOTIFICATION

In a proactive effort to help reduce the public's risk of exposure to COVID-19, the Cedar Lake Police Department will be handling all NON-EMERGENCY police reports via telephone, effective immediately. We will also ask the citizens to refrain from requesting assistance for items like VIN Inspections or Finger Prints (for new jobs) as this puts us in unnecessary contact with the Public. This new procedure will be in effect immediately and maintain until March 31<sup>st</sup>, 2020 at which time we will re-evaluate this. The purpose of these new procedures is to limit the access of our First Responders to the Public when it is not necessary.

Cedar Lake Police Department is committed to serving our community, but we also realize the dangers involved in the COVID-19 Pandemic. We asked that the Public understand and work with the Police Department until this is resolved. God Bless everyone.

Respectfully,

William Fisher  
Chief of Police
